## INTERACTIVE ONLINE TRAINING

**FREE!**

## It's Fun Being a Kid! – Are you ALERT?

These information packages have been developed especially for kids and for fun.

The interactive, logical and easy learning format will encourage kids to display basic health, hygiene and safety practices. The programs include interactive scenes for the kids to complete. Upon completion of the program a certificate can be printed and proudly displayed for all to see.

### Topics

- Washing My Hands
- Others in development
